SIR,

I have the honor to submit the accompanying petition with the remark that Mr. Fo. suited to further his prospects and to raise him in the Graded Service.

A kind perusal of the last Inspector General's Report cited above will show that the recommendation made by that officer was not particularly for the post of a Revenue Examiner, but for such place as the government might feel inclined to advance to the petitioner in consideration of his respectability, character and qualification, the petitioner having further qualified himself by having passed the Local Service Revenue Examination in Gaelic.

On the above recommendation, — government were pleased to order in their No. 4617/R.1789 dated the 1st November 90 to the address of the said Inspector General of Accounts that the petitioner may receive his appointment after passing the Local Service Criminal Examination.

This favorable order of — government gave the petitioner full hopes of receiving some special favor for advancement in the Civil Service as a Salamanian of one of the most ancient

ancient and respectable Jageerdar families
of the State replacing the required test.

Animated by such respects which
centralised all his hopes of bettering the con-
-dition of himself and his family the peti-
-tioner married Lari and passed the Local
Service Criminal Examination in the first
class and renewed his application as kindly
ordered by Government through the Conservator
of Forests.

Upon this the Government have now
ordered in proceedings No. $\frac{5366}{Ft. 551}$ (4) dated
13th March, 1920 that the petitioner has no
chance of getting a Reserve Forbaterao
place and that his promotion should be
considered by the Conservator of Forests in
his own department

With reference to the above order
the petitioner most humbly and respectful-
-ly begs to submit for the generous consi-
-deration of Government that as represented
above, the petitioner did not plead for the
grant of a Reserve Forbaterao, but

in particular, but for the foregoing petitioner
or such other person as the Government may
deem fit and consider best suited to fur-
-ther his projects, and that the Treas
-ury Department which is a technical one, is
a suitable field for those who have qualifica
-tions and they alone can expect
to rise to higher appointments in the grade
Service in the Department.

Under these circumstances the peti-
-tioner respectfully begs that the Govern
-ment may please to reconsider his
case so as special me and confer on him
such higher appointment as they may
deem fit and consider best suited to
further his projects and to raise him
in the graded Service, in recognition of
the regularity and loyalty of his services
in that branch of the public Service
for which he (petitioner) may be considered
qualified by having passed the Local
Service, Entrance and Criminal Examinations

Should

Should the Government be graciously pleased to confer on the petitioner any such higher appointment in any part of the Province, he would most thankfully accept the same and endeavour his utmost to give satisfaction to his official Superiors and stand in the kind consideration of Government to their further confidence and favors. And for this act of generosity the petitioner shall ever remain grateful and loyal.

he is a matriculate and has passed the Mysore local Service Criminal and Revenue Examinations in the First Class. He possesses a fair Knowledge of the Canarese language. He entered the Mysore Service in the year 1888 on Rs 20/- and is now drawing a pay of Rs 40/-. As regards his family antecedents, a kind perusal of the records connected with the grant of Jageer allowance of 800 pagodas now being enjoyed by his family members will, the petitioner respectfully submits, show that his family is one of the most ancient, respectable and loyal families of the Mysore State.

In conclusion the petitioner begs respectfully to tender his humble apologies for boldness in addressing Government and intrusion on his part and cherishes the hope that his petition will meet with special and favorable consideration of Government. And for this act of generosity the petitioner shall ever remain grateful and loyal.

Confidence in proceedings No: 9279 / Z.Z. 36-38 of the 11th April to that the removal S. Municipal Sheriff (petitioner) has been noted. The reference to this order of Government and Secretary's Circular Memo No: S. Being encouraged by the most generous promise held out in Government proceedings cited above, and given to understand that some of the Ministers will be retired from service and that some more portfolios will be newly appointed shortly, the petitioner now ventures to offer himself as a candidate for the same with the prayer that the Government may be graciously pleased to favorably consider his case as special one and confer on him some such higher appointment as they deem fit and consider entitled to further his services in recognition of the respectability and loyalty of his family and in consideration of his personal qualifications.

The petitioner begs permission to submit that he

GOVERNMENT OF MYSORE

3. K. Ananta Rama Iyengar is a graduate and has had nearly 9 years service. He is an intelligent, industrious, honest and active official and well deserving of promotion; but owing to the very limited number of Head in my office he has little chance of improving his prospects here and hence I would strongly recommend his case for the favorable consideration of the Government in disposing of any vacancies among Amildars.

4. Mohiyadien Sheriff's claims for official preferment have been so often

brought to the notice of the Government both by my predecessor and by myself that I don't think it necessary to repeat here what has already been said in favor of him; but I may add here that he is a very deserving official and I only hope that his case will not be overlooked at the next opportunity.
